

ASSET TABLE

Part Number SA-ASTTBL
Interchangeable Work Platform

WESTERN SHELTER SYSTEMS
ISO 9001:2008 Registered Company

Western Shelter Systems' ASSET™ Table (Advanced Support/Survival Equipment Table) performs many different roles and functions. These interchangeable working platforms connect at different heights, widths, and lengths to provide a stable solution for almost any inspection or task.

Key Features and Benefits

- Sturdy table can support up to 800 pounds
- Frame constructed of surgical grade stainless steel
- Easily deployed and quickly stored
- Thermoformed ABS surface provides stable load bearing platform
- Treated to eliminate electrostatic discharge
- Interconnect in a variety of ways with unique Slotlok system
- Optional components provide heightened functionality

Standard Components

- ABS Table Top
- Stainless Steel Frame
- 4 Reversible Foot Pads
- 4 Vertical Connection Plugs
- 4 Casters

Optional Components

- Asset Table Shelf
- Multi-Purpose Utility Tray (36" or 60")
- Protective Bags

The tables make a great stand-alone desk and computer station that can be wheeled anywhere they are needed. By stacking the ASSET™ Tables, these platforms offer great load bearing shelves and storage space.
